Re: DMCA Notification of Copyright Infringement at www.tube8.com

Dear DMCA Designated Agent:

We are contacting you on behalf of Ventura Content AVV ("Ventura"). Ventura is the owner of copyrights in a significant number of adult video works (the "Works"). Under penalty of perjury, we submit that we are authorized to act on behalf of Ventura in matters involving the infringement of their Works, including enforcing their copyrights and common law rights on the Internet.

We believe a customer of WZ Communications, Inc., whose website is hosted by WZ Communications, Inc., is engaged in extensive copyright infringement of Works owned by Ventura. That customer is operating a website, www.tube8.com, at the IP address 208.88.224.91 at 4:00 a.m. (EST), November 19, 2009 (the "infringing website"). The infringing website hosts and distributes a number of video files corresponding to Ventura's copyrighted Works, in violation of longstanding principles of inducement, contributory, and vicarious liability under the copyright laws. We have attached documentation concerning the above-described infringement including a representative list of Works that are being infringed by the infringing website and information sufficient to enable you to identify the website operator. We have a good faith belief that the above-described activity is not authorized by the copyright owners, their agent, or the law.

We are asking for your immediate assistance in stopping this unauthorized activity.

You should understand that this letter constitutes notice to you that this website operator may be liable for the infringing activity occurring on your system or network. In addition, if you ignore this notice, you and/or your company may also be liable for any resulting infringement. This letter does not constitute a waiver of any right to recover damages incurred by virtue of any such unauthorized activities, and such rights as well as claims for other relief are expressly reserved. We assert that the information in this notification is accurate, based on information available to us.
